25th September 2025

Dear Parents,

In Early Years and KS1 the children use lots of resources and equipment during child initiated time to support their learning skills. We ensure that the classroom has a range of activities specifically set up to develop key skills and these change on a regular basis. In the afternoons, lessons are extremely practical and the children are able to use a range of materials to present their learning.

As you can imagine we have to purchase new materials regularly to support the children's learning and development. Therefore, as mentioned in the new intake pack in Early Years, we are asking for a contribution towards resources of £10 per child each term.

Please could you make your £10 contribution via ParentPay. If you have any issues with ParentPay please speak to a member of the office and they will be able to support you with the technical side of ParentPay.

Thank you for your support.

Yours sincerely,

Mrs Joanne Nye

Deputy Head Teacher
