Dear parents/ carers,

Follow-up Safeguarding Update

I am writing to follow up on the letter you received yesterday regarding a man who was seen outside the school recently displaying reported erratic behaviour.

Since then, the police have been present in our local area and have also visited school to speak with me directly. They have assured us that the matter is under control and that there is no cause for alarm.

I would like to state that the intention of my previous letter was not to cause distress, but to keep you informed and to ensure that, as a school, we continue to follow our safeguarding procedures carefully and consistently.

This morning, we used this as a learning opportunity about personal safety and vigilance in a “Keeping Safe at School” assembly, so that children are reassured and know how to keep themselves safe.

Thank you for your continued support and understanding.

Yours sincerely,

Head Teacher
