KS2 Poster Competition

Inventions That Changed the World!

Have you ever wondered what life would be like without some of the things we use every day? People throughout history have invented amazing things that changed the way we live, work, and play.

_____

Your Mission:

Make a poster about one invention that changed the world.

1. What it is: Describe it in your own words.
2. Who made it: Who invented it or which culture created it?
3. Why it matters: How did it change people's lives?
4. What came before: What did people use before this invention?
5. Fun facts & pictures: Draw it, add a timeline, or include something surprising!

Some Invention Ideas:

Wheel – How it helped people travel and carry things.

Printing Press – How books became easier to make.

Light Bulb / Electricity – How people lit up the world.

Telephone – How people started talking to each other from far away.

Vaccines – How medicine has saved millions of lives.

Airplane – How humans learned to fly.

Due in:

Friday 12th December 2025

There will be a small number of prizes for the best posters!

(As judged by Mr Davies, Mrs Nye and Mr McConville.)
