Dear parents/ carers,

Safeguarding Update – Local Area Concern

I am writing to make you aware of a matter that has been brought to our attention regarding a man who has been seen walking around the local area, and displaying some erratic behaviour. Some residents have posted about this on social media and have also contacted the police.

I am currently in discussion with the local neighbourhood policing team and have requested additional patrols around the school area. The police have advised that, should this individual be present and causing any disturbance or distress, the appropriate course of action is to call 999 immediately so that officers are made aware.

A number of parents of children in Upper Key Stage 2 have previously given permission for their child to walk home independently. In light of the current situation, my strong advice is that children are collected by an adult until this matter is resolved. Please consider this and let the school know if you wish to make any changes to this arrangement.

Please be reassured that we are remaining vigilant in school and are following our usual safeguarding procedures to ensure the safety of all pupils.

Thank you for your continued support and cooperation.

Yours sincerely,

Head Teacher
