18th November 2025

Dear Parents,

Cycle Training

We have again been offered the opportunity to provide some off road and on road cycle training for the children in Year 5 next term. The children will have a chance to complete the Level 1 and 2 parts of the course. The training will be provided during the week beginning 9th March 2026. Level 1 is the off-road element and is completed on the school playground. The Level 2 part is on-road and will be carried out on the roads around Carpenders Park.

If you would like your child to receive cycle training they will need to have use of their own bike, which is of an appropriate size and in a good, roadworthy condition. Every child must also wear a cycle helmet. The bikes can be left in school overnight, although I would ask you to look at your own home contents insurance to make sure that items left here overnight are still covered. When not in use during the day the cycles can be left on the grassed area outside my room. Overnight they can be parked-up in the Year 5 cloakroom area.

The cost of the training has been subsidised again this year and will be a flat fee for all participants of £25.35 per person for Level 1 and 2. If you would like your child to participate, please email your permission to Mrs Walsh at admin@stmeryl.herts.sch.uk and make the online payment on Parentpay by **Monday, 9th February 2026.**

Yours sincerely,

Head Teacher
