Dear Parents and Carers,

RE: Bread Making

As part of our Design and Technology learning the children will be tasting and comparing different brands of supermarket bread.

Including:
Tesco Medium Sliced White Bread
Warburtons Farmhouse
Hovis Best of Both
Tesco Wholemeal
Jason's Sourdough

This will be on Monday 8th December in the afternoon.

Then the following week (Monday 15th) we will be baking our own soda bread. The ingredients are:

Wholemeal flour
Plain Flour
Salt
Bicarbonate of Soda
Buttermilk
Milk

The children will then be tasting their bread in the afternoon and (if any left) bringing the rest home.

If you do not want your child to take part of have any questions please speak to the class teacher.

Kind Regards,
Mr McConville
