

Reception Class Newsletter

It is the Summer Term!

Our last term in Reception Class—where has the time gone!

As it is the 'Summer Term' if (oops, that should be **when**) the weather turns warm, please make sure that your child has sun cream applied before school and that they have a hat and water bottle with them each day. As a side note, when it is raining, do still send them with a coat as we do go outside whatever the weather.

Thank you for sending the children to school in their P.E. kits each Monday, this will continue to be our P.E. day each week. Keep encouraging your child to get themselves dressed and undressed at home, as these are important skills to learn.

During this term we will have our Sports Day, details to follow soon. Your child will be in a house colour team. They will compete with their team and aim to get lots of points for their house.

During class time we will be focusing on developing our writing skills! If you are going to the shops, you could encourage your child to write a shopping list to take with you.

Please continue to write in your child's reading record book at least three times a week. Just spending those 5/10 minutes practicing words and reading books boosts your child's learning and enables them to access all curriculum areas. Curl up with a book and enjoy the adventure the story takes you on.

Just a reminder that trainers can be worn to school on a Monday as it is P.E. day but the rest of the week the children should be wearing black school shoes.

Our next class assembly will be on **Wednesday 13th May at 9:00am**. Please do join us if you can.

Lets have a fantastic final term in Early Years!

Other things to note...

The Summer Term is a busy one, with sports day, St Meryl's Got Talent, End of term activity, transition days etc. We will send out more information as the term goes on, please ask any questions if you are unsure of what is happening.

Keep posting any activities you do on Tapestry. We love to see them and talk to the children about them.

We will be organising an end of term celebration for the children, details to follow soon.
